Far East Organization's The Scotts Tower Garners a FIABCI Singapore Property Award 2019

Winning project will be eligible to compete at the international FIABCI World Prix d'Excellence Awards 2020

Singapore, 9 October 2019 – Far East Organization's The Scotts Tower (TST) has been awarded a FIABCI Singapore Property Awards in the Residential - High-rise category. The award winner is eligible to compete in the international real estate competition, FIABCI World Prix d'Excellence Awards, to be held in Manila in May 2020.

Launched under the Far East SOHO brand of properties, the defining tenets of Locale, Connectivity and Space can be seen embodied in this iconic award-winning high-rise tower. Located just minutes from the popular Orchard Road shopping belt, TST is a 31-storey tower comprising 231 one- to three-bedroom apartments offering 3.35m-high ceilings and floor-to-ceiling windows. TST's unique design is purposefully built to inspire interaction, to encourage living beyond the walls, to have living spaces flow into the communal and green spaces, creating self-contained communities within 'Neighbourhoods In The Sky'.

The FIABCI Singapore Property Award recognises outstanding real estate projects for their contribution to the built environment and community, as well as excellence in design, aesthetics, and functionality. There are a total of 16 award categories and the panel of judges includes distinguished local real-estate experts and professionals. The award for TST will be presented at the FIABCI Singapore Property Awards 2019 Dinner held at The Singapore Island Country Club on 15 October 2019.

Far East Organization is Singapore's largest private property developer. This latest accolade reinforces Far East Organization's continuing commitment in creating innovative, functional real estate spaces and concepts that cater to the evolving lifestyles and aspirations of our customers.

Award-winning Project

The Scotts Tower | Winner, Residential (High Rise) Category

The Scotts Tower (TST) is a high-rise residential development conceptualised by Red Dot award-winning principal architect Ben van Berkel of UNStudio, Amsterdam. The 31-storey tower comprises 231 one- to three-bedroom SOHO-styled apartments with 3.35m-high ceilings, and floor-to-ceiling windows, featuring a Sky Terrace completed with lifestyle facilities on the 25th floor, which offers a 360° view of prime Orchard and Cairnhill areas and beyond.

and Cairnhill areas and beyond.

TST is a development within the distinctive Far East SOHO brand of properties, created to meet the needs of the new generation of buyers, not so much concerned about size and specifications, but rather the lifestyle benefits afforded.
